Our mentor, "**Er. Parthiv Kinariwala** (BE Mech, DEE Electrical, DIS in Safety Engg)", has always been the motivational force behind the progress and growth of our organization. With the help of his domain expertise, we have gained excellence in offering the above services and products.

Also Core Strength & Experience Management Team Members with Rich Experience.
Er. Krishna Kinariwala (Quality Manager) **Er. Riddhi Shah** (Technical Manager)

Founded in the year 2004, "**Prism Group of Company**", have earned tremendous fame in offering **Calibration, Validation, Environment Audit, Instant Supply** and **Work Optimization** within very Short time. Reason Behind is we firmly believed that;

Mission

Our Mission is to be a Landmark Calibration & Testing Agency in India.

Vision

A unique Instrument mall (Pmall) for A to Z Field, Process, Plant, Lab as well as Safety & Environment Products with Testing & Calibration Certificate at Single Window.

Unique Activities of Prism Group of Company

- | | | |
|---------------------|------------------------------|----------------|
| ■ Calibration | ■ Inst. Supply & Automation | ■ Energy Audit |
| ■ Validation | ■ Turnkey Project Consultant | ■ Safety Audit |
| ■ Environment Audit | ■ Safety & EHS Products | ■ Training |

At present, it has become necessary for every developed and developing Industry to maintain and upgrade their plants & projects as per the latest guidelines of **ISO, CE, ISI, BIS, Revised Schedule 'M', c-GMP and WHO, HACCP, GPCB etc.**

We offer our services to different types of More than **1800 + Industries:**

- | | | |
|-------------------|------------------------|--------------------------------|
| ■ Pharmaceuticals | ■ Engineering | ■ Electrical / Analytical Labs |
| ■ Surgical | ■ Plastic | ■ R & D Labs |
| ■ Food | ■ Oil & Gas | ■ Hospitals / Lab |
| ■ Chemical | ■ Textile & Automobile | ■ Colleges & Govt. Sector etc. |

Few of Our Valued Customers :

CALIBRATION & TESTING

- NABL Accredited Lab, with Wide Scope with Best CMC.
- **Onsite** and **In House** Calibration Facility with Highly Efficient Team.
- Hi-Tech Technology for Value Addition and Plant Automation.

**INST. IN HOUSE
CALIBRATION & SUPPLY**

- 1500 + Customer Across the Glob Since Last 15 Years
- 600+ Highly Accurate And Sophisticated Instruments.
- Detail and Customized Calibration and Test Reports.
- Accepted by all Major Accreditation and Organisations for Various QMS Certification.

ONSITE CALIBRATION

Our Team

Our team also makes optimum use of the latest testing and Calibration Instruments and tools to test the quality of the products we trade in and get assured of their flawlessness before the final dispatch.

NABL INSTRUMENT LIST

" Recommended and Authorised for all Major Accreditation Bodies like BIS; ISI And Certification like ISO 9001; 14000; 18000;22000; NABH; NABL; CE; TS; WHO; cGMP; US FDA; u mark n many more.."

Dimension Instruments :

Caliper (Inside / Outside)
Inside / Outside Micrometer
Bore dial Gauge
Plunger Dial Gauge
Filler Gauge
Length Bar
caliper Checker
Snap Gauge
Height Gauge
Ring / Plug Gauge
Thread Ring / Plug Gauge
Dial Thickness Gauge
Lever Type Dial Gauge

Pressure Instruments :

Analog / Digital Pressure Gauge
Pressure Transmitter
Differential Pressure Gauge
Analog / Digital Vacuum Gauge
Vacuum Transmitter
Compound Gauge
Manometer
Meghnallic Gauge
Digital Pressure Calibrator
Pressure Indicator
Pressure Switch

Temperature Instruments :

Temp Controller / Indicator/ PID controller
RTD / Thermocouple Sensor
Temp Transmitter
Digital Thermometer
RTD / T/C calibrator
Process Calibrator / mA Calibrator/ Loop Calibrator
Temp Chart / Recorder
Temperature Gauge
Temp Furnace / Bath
Oven /BOD / Refrigerator /stability chamber
Furnace /Cold Chamber / Freezer
Temp Scanner / data Logger
RH Sensor / RH Indicator with Sensor /
Thermo hygrometer / RH Transmitter
Temp / Rh Mapping
Infrared Gun / Pyrometer / IR Sensor
Thermal Imager
Humidity Chamber
Mapping of Deep freezer
Mapping of /Freezers/Oil Bath Cold Chamber
Mapping of DHS/Sterilizer/ OVEN/ Water bath /
ETO/COD -BOD Autoclave
Mapping of OVEN/ Muffle Furnace
Area Room Mapping

Electrical /Electronics Instruments :

Analog /Digital Voltmeter
Analog /Digital AmpMeter
Analog / Digital Multimeter
Digital clampmeter
Freq Meter
Resistance Meter/ Megger
Insulation Tester
Universal Calibrator
Earth tester
1 Phase power meter / Energy meter
3 Phase power / Energy meter
1 / 3 phase Power analyser / watt meter
Multifunction Calibrator
Ph meter
RPM meter / tachometer
HV meter
Db meter
Stop Watch / Timer

& Many More NABL Tradeable Instruments

ENVIRONMENT

- Environment Audit/EHS Work
- Chemical/Analytical Testing
- Air/Water/Soil Testing
- GPCB Related Work
- Area Monitoring / ETP AMC
- CC & A / NOC / Project Work

ENVIRONMENT

- Environment Audit for industries under Schedule II Category, Approved by GPCB.
- Environmental liaising work which includes No Objection Certificate
- Consolidated Consent & Authorization (CC&A).
- Analysis of different parameters of Air, Water and Solid waste
- Designing of Effluent Treatment Plant (ETP), Sewage Treatment Plant (STP), Air Pollution Control Devices (APCD), Environment Management Plan (EMP).
- Waste minimization and Hazardous Waste management system.
- Operation, Maintenance and Value addition in existing treatment plant.
